Harness for SR 500

Model No.
SR 552

Ordering No.
T06-0116

Product Description

The SR 522 Harness is an accessory for the SR 500 Powered Air-Purifying Respirator (PAPR). The harness increases the number of task options available and retains the comfort factor associated with the SR 500 PAPR system.

The SR 500 PAPR system can be worn on the lower back or between the shoulder blades. The plate on the back has three size adjustments.

Technical specification

SR 552

Material

TPE / Polyester

Color

Black
